# 1931 PACKARD SALON SPECIAL SHOWING

at the Packard Proving Grounds Historical Site

MAY 28-30, 2024

At the height of the Classic Car Era, manufacturers put on Salon exhibitions of their finest cars at selected hotels in major cities. This Spring the Packard Proving Grounds, the only remaining property formerly owned by the Packard Motor Car Company, is presenting a Salon featuring the 1931 Packard. Judging will be left to the lucky attendees.
